

# Home Learning Grid: Nursery Spring 2 2019

Here is an outline of the home learning activities for the Nursery children this half term.

You may choose to complete one of these activities each week with your child.

Please sign the grid to show that your child has done an activity and send in the Learning Grid every Tuesday. We will return them to you on a Thursday. If any form of recording has been done by your child please bring it in, for example, photos, pictures, 'writing', children's quotes or creations.

## Road Safety

When crossing the road with your child, talk about what 'stop, look and listen' means and why we have to follow each instruction. Make sure that your child knows why 'stop, look and listen' is important.

Visit the Children's Traffic Club website at [www.childrenstrafficclub.com](http://www.childrenstrafficclub.com) and play some of the online games there with your child.

Ext: Make a stop road sign

## Shape Hunt

Go on a shape hunt around your home. What items can you find that are circles, squares, rectangles and triangles?

Take photos or draw a picture of the things you find.

Ext: Find any other shapes around your home or outside. What shapes are they?

## Spring and Grow!

It's Spring. How have your surroundings changed? Take a walk and see if you can find things growing or hunt for some minibeasts in your local area. Where are they? How many can you see?

Ext: Grow your own! Cut the top off a carrot and leave it in a saucer of water and watch it grow!

### Favourite Book

Find your favourite story book. Who is the author? Have a look at the book and see if you can retell the story from the pictures.

Who are the characters? What is your favourite part of the story?

Ext: Bring your book in to share with the class. Be prepared to talk about the story.
