

# Home Learning Grid: Nursery Summer 1 2019

Here is an outline of the home learning activities for the Nursery children, this half term. You may choose to complete one of these activities with your child each week.

**Please sign the grid** to show that your child has done an activity and send in the Learning Grid every **Tuesday**. If any form of recording has been done by your child please bring it in and this can be added to their Learning Journal e.g. photo, picture, 'writing', children's quotes, or creations.

## **Alliteration Animals**

We have been talking about rhyming words and are now focusing on alliteration in Nursery. What animal starts with the same sound as your name? For example, Harry Hen, Susan Snake.

How many wild animals can you think of? Think of names that would start with the same sound e.g. L.... Lion, C.... Camel.

## **Musical Fun**

'Old Macdonald had a farm E, I, E, I, O...'  
This song has many verses about the different farm animals and the noises they make. Make your own musical instrument to play to this song.

Ext. Use your instrument to make up your own rhythm. Think about loud/quiet sounds and playing fast/slow.

## **Numbers**

Have a look in newspapers and magazines for numbers. Make your own number line from 0-10 with the numbers you find. You may even find numbers outside that you could use if you take a photo.

Ext: Have a look for 'teen' numbers 11 – 20.

### Shape Hunt

Have a look around your home for different shapes. What shapes can you find? Talk about the sides of the shapes. Are they straight or curved? Count the corners on the shapes.

Ext: Describe a shape to someone and see if they can guess what shape it is.

### Family Time

Think about a special time that you have had with your family. Did you go somewhere? (seaside, farm, hotel) Did you celebrate something? (birthday, wedding, Christening) We are creating a display about past and present events with our families. Do you have anything you can send in? (photo, leaflet, picture)

Ext. Draw a picture of your special time with your family. Add some labels.

### Summer Signs!

Summer is on its way! Are your surroundings changing? Take a walk, maybe on a beach! What clothes do people wear in the summer? What can we do to protect our bodies from the sun?

Ext: Collect seeds, flowers and press them to create your own picture or make a seaside collage of things you found.
