

Home Learning Grid: Reception Summer 1 2019

Here is an outline of the home learning activities for the Reception classes this half term. Your child can choose to complete one of these activities each week. Please sign the grid to show that your child has done an activity and send in the Learning Grid every Tuesday with any form of recording your child has done (e.g. photo, picture, 'writing', children's quotes, or creations).

Choose one of these activities to complete each week.

Animal Fact File

We are going to see lots of animals on our school trip. Write a fact file about your favourite animal. What does it look like? What does it eat? Where does it live?

Ext: Draw and label a picture of your favourite animal.

Parent signature and comment:

Number Hunt

Go on a number hunt for 2 digit numbers! Can you spot any road signs with numbers on them?

Ext: Think of the number that is one more or one less than the number you spotted.

Parent signature and comment:

Women's World Cup

This year the Women's World Cup is being held in France. Find out some of the other countries that are competing in the world cup. Make a flag for one of the countries or find out some key facts about that country.

Ext: Try some food from another country. What did you try? What was it like?

Parent signature and comment:

Summer Signs

Summer is on its way! Are your surroundings changing? Take a walk, maybe on a beach! What clothes do people wear in the Summer? What can we do to protect our bodies from the sun?

Ext: Collect natural objects, e.g. leaves, petals, twigs, etc. and use them to create a picture or collage.

Parent signature and comment:

Fish Bowl Sharing

We are learning about halving and doubling. Using the fish attached, can you share them equally between two fish bowls? Can you share 2, 4, 6, 8, 10 fish in the bowls? Choose one of the amounts and stick them in the bowl.

Free choice activity

Tell us about any activity that your child has enjoyed.

Parent signature and comment:

These activities are to be done every week

Phonics

Using your child's sound book, practise any new sounds for the week as well as recapping previously learned sounds.

When your child can recognise them confidently get them to write them when you say the sound.

Ext: Focus on a particular sound and create a word list for that sound.

Please hand in every **Wednesday**.

Reading books

Please try to read your child's reading book with them three times a week. Don't forget to write a comment in the reading record so that we can make sure new reading books are given out frequently.

Ext: If your child particularly enjoys a book, have a go at completing a simple book review with them. There are some at the back of their reading record.

Please hand reading books in on **Mondays** and **Thursdays**.

Teddy Words

Practise your child's teddy words. It is also beneficial to recap previous teddy words regularly.

Ext: Have a go at writing some of your teddy words.

Please hand in every **Wednesday**!
