Promoting Resilience, Achieving Potential

Cathy Cox – Head Teacher

Friday 19th July 2019

Dear Parents and Carers of children in Year 1,

What a fabulous year it has been; your children have worked really hard! This summer we would like your child to try some short activities during their break; this will really help them with their transition to Year 2.

- Create a fact file for your new teacher telling them all about you.
- Write a recount of a great adventure that you have been on during the summer holidays.
- Put yourself in a story as the main character, (remember to use your imagination!)
- Play number bond snap. (Snap when you have number that make a number bond to 10)
- Continue to count in patterns of 2s, 5s and 10s from any given number.
- Take part in the Summer Reading Challenge, which this year, has a space theme to celebrate 50 years since the first moon landing.
- Read, write and spell the first 100 high frequency words. (Refer to phonics booklet that was handed out on parents evening)
- Don't forget the Highwood Bucket List – we are looking forward to seeing your photos in September!

Thank you again for your continued support.

We wish your child all the best for Year 2!

Miss Emma Schumacher and Miss Bonnie Mukherjee
