Promoting Resilience, Achieving Potential

Cathy Cox – Head Teacher

Date: 8th January 2019

Dear Parents and Carers,

Happy New Year! Thank you for all your kind wishes and gifts over the Christmas period, we hope you had a lovely rest and enjoyed time with your family and friends.

Welcome to another exciting new term in Year 2. This term our topic is 'Spy School' Where we will be learning lots of skill to help us solve problems.

We would like to say thank you for your time and efforts given to the Home Learning. The children (and you of course!) have produced some amazing work and are very proud of what they have created. A new grid will be stuck in to your child's Home Learning book for you to complete through this half term, please make sure we have all the books in each week. We will be assessing the children on their High Frequency words during the next half term (the lists we gave out at parents evening). Please continue to revise these as we will regularly be checking that the children are confident in spelling these words to help improve their Literacy. For maths, we ask that you continue learning x2s, x5s, x10s at random and if ready, x3 and x4 tables along with their number bonds to 10, 20, and if ready 100. We recommend that your child spends 20 minutes on a home learning task each week alongside their 3 x a week reading, spelling practise and times table practise.

Thank you for your continued support.

Kind Regards,

Miss Marriott, Mrs Kenny and Mrs Boyle
