Promoting Resilience, Achieving Potential

Cathy Cox – Head Teacher

Friday 26th October 2018

Dear Parents and Carers of Year 5 children,

Opportunity for Stargazing

After half term we will be starting our new topic, 'Space and the Solar System'.

We would like to invite the children back in to school on the evening of Tuesday 13th November at 6.00pm for an exciting evening of stargazing, observing the constellations, planets and distant stars. Obviously, we are really hoping for clear skies, but don't worry, if it's cloudy, we will have plenty of exciting activities to do.

The children will need to be dropped off at Main Reception at 6.00pm and collected from the same place at 7.00pm.

Please return the slip below to the school office to give us an idea of how many children to expect back in the evening.

Kind regards,

Mr Willimott and Mrs Keith

Year 5 teachers

Year 5 Stargazing evening

Child's name _____ Class _____

- My child is able to attend the star gazing evening
- My child is unable to attend the star gazing evening

Parent signature _____ Date _____
