

Highwood Primary School Year 6 Home Learning Grid – Summer Term 1, 2019

Choose one activity to complete each week. Remember that if you want to use the internet, ask an adult to supervise and help you. Parents please sign and date on the line in the box when a task has been completed. There are also links to other subjects given if you wish to do another similar task.

Alongside the home learning grid, there will also be a weekly Maths or Literacy task. Children are expected to complete one task and encouraged to attempt both.

There will be merits available for detailed and thoughtful work.
