

What can a young person do if they see an explicit image of themselves online?

ChildLine will ask for proof of age

through copies of official photographic ID

or

speaking to a school/social worker or police liaison officer confidentially without revealing why ChildLine need the information

ChildLine completes a report and sends it to the Internet Watch Foundation

IWF Analysts assess the report against UK Law and contact the relevant organisations

The Police

Hosting company

Global Hotline

The reported image is removed
