Promoting Resilience, Achieving Potential

Children in Need

Dear Parents and Carers,

As a school we would like to participate in this fund raising event on Friday 17 November. The children will be permitted to bring money in on the day to take part in a couple of competitions.

There will be a paper aeroplane contest with the furthest flying and most creative planes in each class winning a small prize. Also, some of the staff will be in a surprise competition which the children can join in with for a donation.

You will have noticed on your child's Home Learning Grid this half term that each year group has been provided with an option on the grid to raise money for Children in Need in a variety of ways. For example in Year 5, the children can bake some cakes or complete some chores at home and bring in any money raised to donate. Money can be handed in at the Office or given to their class teacher.

Please note that Friday 17th November is **not** a non-uniform day for the children.

Thank you in advance for all your generosity,

Kind regards

Cathy Cox
Interim Headteacher
