Dear Parents and Carers,

The Governors of Highwood are pleased to inform you that, following a formal interview process conducted on 9th November, we have appointed Mrs Cathy Cox as Substantive Headteacher at Highwood Primary School with immediate effect.

We have been very impressed with her leadership of the school as Interim Headteacher over the last 9 months and we look forward to supporting her and the vision she has for the school's future development.

Yours sincerely

Rita Mitchell
