

Home Learning Grid: Reception Summer 2 2017

Here is an outline of the home learning activities for the Reception classes this half term. Your child can choose to complete one of these activities each week. Please sign the grid to show that your child has done an activity and send in the Learning Grid every Tuesday with any form of recording your child has done (e.g. photo, picture, 'writing', children's quotes, or creations).

Choose one of these activities to complete each week.

Write a short story to read to the class. How will you begin your story? What will happen to your characters? How will your story end?

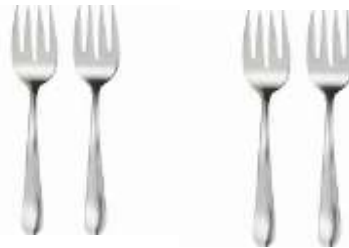

Extension: Describe your characters. What do they look like? How do they act?

Weekly Home Learning:

Phonics

Using your child's sound book, practise any new sounds for the week as well as recapping previously learned sounds.

When your child can recognise them confidently get them to write them when you say the sound.

Ext: Focus on a particular sound and create a word list for that sound.

Please hand in every **Wednesday!**

Reading books

Please try to read your child's reading book with them twice a week. Don't forget to write a comment in the reading record so that we can make sure new reading books are given out frequently.

Ext: If your child particularly enjoys a book, have a go at completing a simple book review with them. There are some at the back of their reading record.

Please hand reading books in **on Mondays or Thursdays!**

Teddy words

Practise your child's teddy words. It is also beneficial to recap previous teddy words regularly.

Ext: Have a go at writing some of your teddy words.

Please hand in every **Wednesday!**
