Promoting Resilience, Achieving Potential

Headteacher Mrs B Rai

Friday 9th July 2021

Dear Parent and Carers,

Your Child's Annual Report Explained

This year there is so much to be proud of. The resilience demonstrated by our children during these challenging circumstances has been exceptional. We also appreciate the support you have provided as we have navigated the challenges of school learning as a community.

Many of our pupils missed a lot of valuable time with our staff and their classmates during the spring term, and we are working hard to make sure they get all of the help they need to make great progress.

Your children will be bringing home their annual school reports today and I am pleased to share these with you. Please make time to read the report with your child and understand their teacher's summary of achievement as well as some indications for their progress in the year ahead. I hope that you find its contents informative, and that you enjoy the opportunity to celebrate the progress made.

If your child is in Early Years, Year 2 or Year 6, please note that national curriculum assessments did not take place this year, so you won't receive any additional information about your child's performance.

Pupils and parents are also invited to make a comment about the report. This section is returned to school. Even writing a simple message of gratitude to the teachers will mean so much.

If you have specific concerns then please speak to the class teacher or get in touch via email. We are a listening school and our strength is by working collaboratively with you. We want all our children to succeed. We hope that you find your child's report useful, informative and easy to understand.

On behalf of the school team, thank you for your continued support this year.

Mrs Rai
Headteacher

Attendance Due to the pandemic, we have removed attendance figures when the school was forced to close in January. However, you will see your child's attendance figures for Autumn term and from March 2021 when the school was fully opened.

Exceptional	Attendance is 99% or higher
Good	Attendance is 96% or higher
Requires Improvement	Attendance falls below 96%
Cause for Concern	Attendance is below 90%
