Dear Parents/Carers,

# EDUCATION.TECHNOLOGY.COMMUNITY (ETC)

## After School Technology Clubs

Over the last two terms we have run two highly successful Coding Clubs working in partnership with the Community Coding Club. We hope to continue this successful partnership by running not one, but two technology themed clubs in the Autumn Term.

ETC was founded by a social entrepreneur who envisioned a technology revolution. As an IT professional, he noticed a shortage of British tech talent and decided to pioneer Community Coding Club to help alleviate this problem for future generations. ETC now provide a variety of Digital Skills subjects so that children can have the chance to learn skills that will be essential for their future.

From September 2019, we are offering two After School Club (ASC) Streams to provide children with the opportunity to learn a variety of digital and creative skills over the course of the academic year.

These clubs are suitable for all children in **Years 3, 4, 5 and 6.**

## ASC Streams: **Coding Technology** and **Creative Technology**

Term 1. Coding and Music Tech

Term 2. Website Development and Graphic Design & Digital Photography

Term 3. Robotics and Animation & Videography

These clubs will run on **Wednesdays** and **Thursdays** from **3.30pm to 4.30pm.**

If your child would be interested in attending, please check the dates below for each club.

Please find attached to this letter a flyer from ETC explaining more about them and the content of the clubs being held at Highwood.

If you are interested in enrolling your child in either of these clubs, please email the company at **clubs@etcgroup.uk**, or you can book online at **www.etcgroup.uk/bookings**.

I look forward to seeing many children gaining a fantastic opportunity to develop their computing and technology skills.

Yours sincerely,
