

Here is an outline of the home learning activities for the Nursery children, this half term. You may choose to complete one of these activities each week. **Please sign the Home Learning grid** to show that the activity has been completed and **send it in every Tuesday**. If any form of recording has been done by your child, please bring it in and this can be added to their Learning Journal or a display. For example, a photo, picture, 'writing', children's quotes or creations.

World Book Day

We will soon be dressing up as our favourite book characters. Can you draw a picture of your favourite character? Bring it into school and we will try to guess who you are going to be. You could also bring your favourite book in for us to share at story time.

Parent signature and comment:

Name Art

Try making a picture of your name. You could use something small to make the letters, such as buttons, sequins or pieces of pasta. Maybe you could use natural materials such as twigs and leaves.

Parent signature and comment:

Number Rhymes

We sing lots of number rhymes at school including Five Little Ducks, Five Little Lollipops and 1,2,3,4,5 Once I Caught a Fish Alive. Do you know any others? Maybe you can learn one and sing it to your friends.

Parent signature and comment:

Spring Walk

Go for a walk in your local area. Can you see any signs of spring? What do the trees look like? What are people wearing? What is the weather like? Bring in a photo of your spring walk for our display.

Parent signature and comment:

Growing

Have a go at re-growing a vegetable from scraps. You could put the top of a carrot or parsnip in a dish of water or plant a garlic clove in soil. Observe it over time to see what happens.
