

Here is an outline of the home learning activities for the Nursery children, this half term. You may choose to complete one of these activities each week. **Please sign the Home Learning grid** to show that the activity has been completed and **send it in every Tuesday**. If any form of recording has been done by your child, please bring it in and this can be added to their Learning Journal or a display. For example, a photo, picture, 'writing', children's quotes or creations.

Baby animals

What is your favourite animal? What do we call the baby of that animal? Find out about the animal. You could look in an information book or on the internet, using Kiddle. Draw a picture of the baby animal and its mummy, and have a go at writing its name.

Parent signature and comment:

Name writing

Continue to practise writing your name. Remember to use a capital letter at the beginning. Once you can do the first letter well, have a go at the other letters.

a b c d e f g h i j
 k l m n o p q r
 s t u v w x y z

Parent signature and comment:

Numbers

Have a look in newspapers and magazines for numbers. Make your own number line from 0-10 with the numbers you find. You may even find numbers outside that you could use if you take a photo.

Parent signature and comment:

Alliteration Animals

We have been talking about rhyming words and are now focusing on alliteration in Nursery. What animal starts with the same sound as your name? For example Harry Hen, Ali Alligator, Sarah Snail. How many can you think of?

Parent signature and comment:

All Grown Up!

We are learning about growth and change. Bring in a photograph of you as a baby so we can see how much you have changed. We will put the photographs on display in the Nursery.
