Barriers to future attainment for pupils eligible for PPG (including higher attainers) at Highwood Primary School	
<b>A.</b>	PPG pupils have poor oral language skills on entry to EY and this continues into KS1 for a minority.
<b>B.</b>	PPG pupils on entry have a lower baseline in reading, writing and mathematics than non PPG pupils. There continues to be a gap in achievement between PPG and non PPG pupils in reading, writing and mathematics across the school.
<b>C.</b>	A significant number of PPG pupils have SEND or are being monitored for SEND
<b>D.</b>	Attendance rates for a minority of PPG pupils are below 90%.
<b>E.</b>	Difficult early childhood experiences for some PPG pupils means the pupils start school at a level that is below that expected for their age.
<b>F.</b>	Ongoing and new or repeated family trauma for many PPG pupils means that their social and emotional needs make it difficult for them to access learning
<b>G.</b>	Poor behaviour from a very small minority of PPG pupils has a detrimental impact on their educational achievement.
<b>H.</b>	Financial circumstances lead to limited opportunities and life experiences for some PPG pupils.

Desired Outcomes		
	Desired outcomes and how they will be measured	Success Criteria
1.	Communication and language skills improve and pupils are working at age related expectation.	The difference between PPG and non PPG pupils will be diminished.
2.	i) PPG pupils' attainment in reading and writing is in line with age related expectations. ii) PPG pupils' attainment in mathematics is in line with age related expectations.	The difference between the attainment in reading, writing and mathematics of PPG and non PPG pupils will be diminished.
3.	The needs of PPG pupils with SEND are being addressed through targeted interventions and Personal Plans.	PPG pupils with SEND are making expected or accelerated progress.
4.	The attendance of PPG pupils improves and persistent absence decreases.	Attendance for PPG pupils is in line with national at 96%. The number of persistent absentees is reduced to 5% or lower. Overall PPG attendance is in line with overall attendance.
5.	PPG pupils in EY with social and emotional needs e.g. attachment disorder are identified early and responded to with timely and relevant support. PPG pupils value enrichment activities such as Gardening Club and individual/small group music tuition	PPG pupils in EY with significant social and emotional needs are making expected or accelerated progress. PPG pupils have participated in enrichment activities.
6.	The social and emotional needs of PPG pupils are identified early and responded to with timely and relevant support.	PPG pupils with significant social and emotional needs are making expected or accelerated

		progress.
7.	The behaviour records of PPG pupils shows that incidents of poor behaviour have reduced.	Exclusion rates have reduced. Sanctions such as internal exclusions, loss of Golden Time and Time Out have reduced for PPG pupils.
8.	Financial support has enabled PPG pupils to take part in Residential and day trips. PPG pupils have correct school uniform that is fit for purpose.	PPG pupils are able to access educational opportunities alongside their peers.
