 Headteacher Mrs B Rai

12th February 2024

Dear Parents and Carers,

We are excited to inform you that we will be starting regular sessions for you to come into school and take part in some activities with your child. We will set up new activities each week covering different areas of the Early Years' curriculum. This will show you how we approach learning and provide you with ideas of how you can support your child at home. The sessions will include maths, phonics and fine motor activities.

Fun Learning in Partnership or "FLIP Fridays" will start on Friday 1st March. Every Friday we will welcome in the parents of different groups of children for the last part of the day. We do not have the space to accommodate all parents together so please look at the dates below and check with your child to see what group they are in.

Please note, if you are late, we will be unable to let you in as the session will have begun. We look forward to seeing you on "FLIP Fridays"!

Thank you for your continued support.
