

Here is an outline of the home learning activities for the Nursery children, this half term. You may choose to complete one of these activities each week. **Please sign the Home Learning grid** to show that the activity has been completed and **send it in every Tuesday**. If any form of recording has been done by your child, please bring it in and this can be added to their Learning Journal or a display. For example, a photo, picture, 'writing', children's quotes or creations.

My Family

Take or find photographs of your family. This could include cousins and grandparents as well as your immediate family. Bring them into Nursery for our family display.

Parent signature and comment:

Number Hunt

Go on a number hunt. Look for numbers 0-10. You could look at door numbers, number plates on cars or numbers on buses. You could find some inside your home too. Maybe on a phone or a clock. Take photographs or draw pictures of the numbers you find.

Parent signature and comment:

Nursery Rhymes

Look at the attached sheet of nursery rhymes. Do you know these rhymes? We will be singing them a lot at Nursery so you soon will! What is your favourite rhyme? Maybe you can find another one that is not on this sheet.

Parent signature and comment:

Autumn Walk

Go for a walk with your family. Look at how the trees and flowers are changing. See if you can find any leaves, acorns, conkers or fir cones. Bring them into Nursery and we will add them to our autumn interest table.

Parent signature and comment:

Wrap Up Warm

As the weather is changing, we need to keep warm. Have a go at putting on your coat, hat, gloves and scarf. Can you do it all by yourself?
