

*Highwood
Round Up
June 2022*

Day of Sports

We enjoyed learning a dance routine. We learned lots of different moves and put them together to some music from The Lego Movie.

Nursery

Heatwave!

We had some very hot weather this month. We found a good way to cool down!

"We put our feet in the water. We had to take off our shoes and socks!"
Eden

Dental Health

We learned all about keeping our teeth healthy. We practised brushing some model teeth with toothbrushes and read some books about going to the dentist.

"If you don't brush your teeth then they will go bad and all fall out!"
Jenson

"I brush my teeth after breakfast and at bedtime"
Eva

Road Safety

We had a visit from Klara, our lollipop person. She told us all about her job and how she keeps us safe when crossing the road. We made our own stop signs and zebra crossings.

Reception

"I scored so many goals!" - Zayan

Our trip to St Albans Park
We went on our trip to St Albans park. We went on a coach and a train. We played in the park and had ice lollies. It was so much fun!

"We went to the park...lunch and a snack and ice lollies! Orange flavour... orange is my favourite!"

"Football...javelin and so much exercise! It was fun"

Day of Sports
We had lots of fun on the field learning how to play football and athletics. It was really fun!

The Evil Pea!
The Evil Pea came to school and froze some vegetables. We had to get them out. We wrote 'Wanted!' posters to find the Evil Pea!

"I liked doing collaging, making a crown and drawing the Queen's portrait on the tables outside." Alice

"I enjoyed playing Pooh Sticks on the bridge and going on a nature walk." Maxwell

Year 1 attended a Singing Festival at Watford Boys Grammar, followed by lunch and a walk around Cassiobury Park. We played Pooh Sticks, spotted signs of summer and enjoyed time in the playground.

We celebrated the Queen's 70th Jubilee. We learnt how to march like soldiers, to sing the National Anthem, to dance the waltz, took part in a royal coronation and had a picnic on the field.

"We sang songs like the Rubber Chicken and Sunshine on the Street. We heard a cello and a trombone play." Dylan P

During our Day of Sport, we took part in lots of challenges including a football session with Game On. We read Grrr by Rob Biddulph and spoke about good sport person characteristics.

"I was the Queen and had to go down the carpet for my Coronation. We had a snack on the field." Maya

At the beach,
we made
sandcastles and
found crabs.
Arthur

On 23rd June, Year 2
went to the beach for
the day. They had
lots of fun on the
sand and even found
lots of crabs!

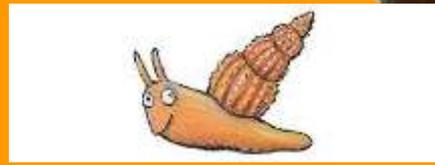

Meet Year 2's new pet,
'Sheldon' the Giant
African Land Snail. The
children are having a
great time taking care of
it!

We are
currently
reading 'The
Snail and
The Whale'
in English
sessions so
Sheldon is
inspiring lots
of ideas in
the children's
writing.

"We built sandcastles
and my group won the
sandcastle competition."
Jackson

Year 3

In science, we created a magnetic game to explain how magnets attract some materials.

Year 3 had an exciting adventure climbing the tree tops at Go Ape. They showed bravery, resilience and brilliant teamwork by encouraging their friends and cheering each other on.

We stopped for lunch and ate in a lovely outdoor cabin in the sun. We even had time to play in the play area!

We also took part in the Game On 'Day of Sports' where we got to have a go at lots of different sports. In the afternoon, we worked on creating our own Olympic event and the venue that it would be played in.

I really enjoyed dissecting the owl pellets because I found a skull and it was really interesting to find out what animal the owl had eaten. It was from a mouse!
Elena

It was very fun - we got to find all the different bones from lots of animals. The best was finding a vole skull which the owl had swallowed.
Jimmy Dean

I liked all the activities but the one I liked the most was football because we were the winning team overall.
Leo

I think it was very fun and we got to work our bodies a lot.
D'Andre

As part of our science topic, we went on a school trip to Chiltern Open Air Museum. We went on a woodland walk to hunt for minibeasts and we even got to dissect owl pellets!

Year 4

Our topic in English has been Macbeth. We have explored many different approaches to this text, including acting, public speaking, newspaper writing and debates!

Year 5

Year 5 had their science trip this month to Kew Gardens! The children learnt so much on the trip despite the weather being swelteringly hot! It was a fantastic day for all involved.

Year 6

We learnt about different emotions and how people express them. Lily

We expressed our emotions just using our faces. Chloe

We were talking about emotions and how some people don't always look as they are feeling. Poppy

We have been learning about Changes and moving on to a new school. We discussed our fears and excitement about these changes. Lillie-Anne

We worked as team to play a game where we tried to keep the balloon from touching the ground. This was so much fun! Mary
