## Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.  N.B. Complete this section to your best ability. <b>Due to exceptional circumstances, priority should be given to ensuring that pupils can perform safe self- rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024 Please see note above	65.51% (38/58 children)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	65.51% (38/58 children)
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	65.51%(38/58 children)
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future

Academic Year: 2023/2024		Total fund allocated: £19390		Date Updated: July 2024	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation: 6.96%
<b>Intent</b>	<b>Implementation</b>			<b>Impact</b>	<b>Sustainability and suggested next steps:</b>
KS1 and KS2 pupils involved in physical activity with trained adults who extend school sports. Inclusive approach for SEND children. OPAL to be introduced for lunchtimes with staff training where required.	Game On coach available to facilitate school sports at lunchtime 3 times a week. OPAL resources and training delivered.	£1,250  £100		Improved behaviour of key children through involvement in structured activities. Increased understanding of the benefits of exercise in PE lessons and at lunchtimes.	The Sports Premium Grant has allowed the school to purchase provision for the 2024-2025 academic year.
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement					Percentage of total allocation: 3.58%
<b>Intent</b>	<b>Implementation</b>			<b>Impact</b>	<b>Sustainability and suggested next steps:</b>
To use the Real PE scheme raises the profile of PE, school sport and activity by providing effective and impactful lessons.	Subscription to Real PE implemented.	£695		Teachers reported that the Real PE scheme did not suit all children in their care. Behaviour from some children disrupted the lesson for others when they could not access the learning.	Recommendation from PE lead (new to school) to subscribe to different provider of PE curriculum support, GetSet4PE. The Sports Premium Grant has allowed the school to purchase provision for the academic year 2024-2025.
Visit from Paralympian Athlete Nerys Pearce to inspire the children.	Visit in Summer 2024 where children could raise sponsorship money for new sports equipment.	Free (£1530 paid but recouped by voucher for sports equipment)		Inspiration in children to raise money for school PE equipment.	Event was really enjoyed by all pupils. The grant has allowed us to secure a visit from an Olympic athlete next academic year.

<b>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b>				Percentage of total allocation:
				64.38%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	<b>Sustainability and suggested next steps:</b>
Provide high quality CPD by engaging the services of a qualified PE coach.	Throughout the academic year 2023-2024, teachers from Year 1 to Year 6 have benefitted from 1 hour a week of PE coaching from Game On. The new scheme of works and continued CPD has been imbedded successfully at Highwood.	£12482	This has resulted in more confident staff who are growing in skills and are able to evaluate PE progression in their own classes.	The Sports Premium Grant will allow the school to continue this provision for the academic year 2024-2025.
Development of SEMH through physical activities via Real PE scheme of works given to all staff teaching PE.	Real PE scheme of works embedded across the year groups for academic year 2023-2024.	Cost already listed above	A more holistic approach to PE has been created with children learning how to develop SEMH through newly learnt physical skills. Improvements to be made via new scheme.	The Sports Premium Grant allowed the school to purchase this scheme, but SLT have decided to subscribe to new provision GetSet4PE to make PE more accessible to every student. The SPG will allow the school to continue to improve its provision.
<b>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>				Percentage of total allocation:
				6.58%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	<b>Sustainability and suggested next steps:</b>
The school to ensure that as many Y6 children as possible can meet the National Curriculum requirements.	Mop up sessions for Y6 children in Summer term 2. Minibus provided to take children to lessons.	£250	Providing life-saving skills to as many children as possible. In the academic year 2023-2024, the school's percentage of children who meet National Curriculum standards dropped slightly.	Without further Sports Premium Grant funding, top up swimming costs will not be sustainable from school's devolved budget.

Underpinning of values through sport.	Implementation of the annual Sports Day, with a set of values, mirrored on the Olympic and Paralympic Games.	£60	A successful day for the children, with evidence of courage, determination, inspiration and equality.	The Sports Premium Grant will allow the school to continue this event for the academic year 2024-2025.
Introduction of Forest School	Across the academic year 2023-2024, Forest School sessions were rolled out to pupils.	£965	All children have engaged in their learning outdoors, increasing oxygen levels and endorphins. An increase in attendance on Forest School days was noticeable.	The Sports Premium Grant will allow the school to continue and even extend this provision for the academic year 2024-2025.
<b>Key indicator 5: Increased participation in competitive sport</b>				Percentage of total allocation:
				0.65%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	<b>Sustainability and suggested next steps:</b>
Participation in inter-schools' competitions and tournaments, allowing children the opportunity to be involved in exposure to competitive sports.	The school is part of the local Game On leagues. Providing a school minibus for transportation	£125	The school has continued to enter teams to the Game On leagues and many children have enjoyed competitive events with other local schools. The school will endeavour to find other competitive avenues if the Sports Premium Grant funding continues.  The school ensures that the minibus is available for transporting Highwood's children to swimming once a week and other sporting activities. A robust schedule of safety checks is undertaken annually and all other required paperwork is kept up to date	The Sports Premium Grant will allow the school to continue this provision for the academic year 2024-2025.
