Promoting Resilience, Achieving Potential

Cathy Cox – Head Teacher

Friday 25th October 2019

Dear Parents and Carers,

We are delighted to inform you that we have arranged for a company called 'ZooLab' to come in and visit our Year 1 children on Friday November 15th.

They will be delivering a workshop called '**Paws, claws and whiskers**'. This workshop looks at the huge variety of weird and wonderful animals we share our planet with and finds out where they come from, from fully developed human beings to the tiniest insect. How do we group animals and why? The children will get to question, investigate and learn about scientific discovery, guided by their own expert ZooLab ranger. They will even learn how collecting data about animals can improve our maths and ICT skills. We are sure that the children will enjoy this fantastic experience.

To help cover the cost of this visit, we ask for a contribution of £5.00 (£2.50 if your child is eligible for Free School Meals due to being eligible for Universal Credit) but please understand that if we do **not** receive enough contributions, this visit may have to be cancelled as they cost a considerable amount of money and we cannot fully cover it from school funds.

Date	Friday 15th November
Location	In school
Cost (full price)	£5.00 (non-refundable)
Cost if eligible for Free School Meals	£2.50 (non-refundable)
Payment via School Gateway to be made by	Wednesday 6th November

Kind regards

Miss Marriott, Mrs Coggon and Miss Gowers
Year 1 teaching team
