We have given the children an Ed Shed login. You will find this in your child's reading record. Please log on to the website [www.edshed.com](http://www.edshed.com) or download the app. There are various challenges to explore on the website to help the children learn to spell. We will also be setting a weekly assignment each week on Ed shed which will focus on a particular Year 2 spelling rule. See the attached list which outline each weeks spelling rule and the words the games will focus on. There will not be a formal spelling test on these words at school, but we will be giving certificates out to the children who have used Ed Shed throughout the week.

Ed Shed is in addition to our common exception words that we teach and test each Friday. The common exception words are in the children's Home Learning books.
