

Highwood Bucket List

Welcome to the Highwood Bucket List. As a school, the children have spent time talking about what they would all like to do before they leave and came up with this list of activities. Each year group has 10 activities to complete before the end of the school year. Some of them will take place in school but most of them will be activities to complete at home.

We would love to have pictures for our classroom displays when you have completed each activity. There will be certificates for children who complete all the activities on their Bucket List.

We have put together some suggestions of local places you can go to help you complete certain activities.

Enjoy completing your bucket list!
