

Year 4 (Autumn 2) Home Learning Grid

Your child needs to choose one Home Learning activity each week. They can choose which task to complete and the order in which they do them. Once they have completed an activity, please initial and date in the appropriate box. They may wish to include photographs of larger pieces of work and practical activities. Home learning is to be handed in on Tuesdays. For maths and literacy Home Learning tasks, we expect children to spend at least 20 minutes completing their chosen task.
