Promoting Resilience, Achieving Potential

Headteacher Mrs B Rai

Thursday 12th May 2022

Dear Parents and Carers,

As part of our science topic on habitats, life cycles and forest study we have arranged a wonderful trip for our Year 4 children to visit the Chiltern Open Air Museum on Wednesday 8th June. The children will undertake a workshop on woodland habitats and also get the chance to do some pond dipping!

The trip will cost £19.00 per child, reduced to £9.50 for those children eligible for Free School Meals. Payment must be made on the School Gateway and is **non-refundable**, unless the trip is cancelled by us. Please note that if we do not receive enough donations, we will sadly be obliged to cancel the trip as we cannot afford to subsidise the visit from school funds.

We will need parent helpers on the day so, when making payment, please note in the comments section whether you are able to volunteer.
