Highwood Primary School

Promoting Resilience - Achieving Potential

Year 6 Autumn 1 2026

Daily home learning

- Daily reading and sharing books.
- Spelling Shed
- Times Tables Rock Stars online- Multiplication tables (revise all tables).

Weekly home learning

- Complete **one** activity from the Maths booklet.
- Complete **one** activity from the Grammar booklet.
- Complete **one** activity from the Reading booklet.

Hand in your booklets every Tuesday.

Here is an outline of the home learning activities for the Year 6 children, this half term. Your child should choose to complete one of these activities each week. **Please sign the Home Learning grid** to show that the activity has been completed and **send it in every Tuesday**. You may wish to include photographs of larger pieces of work and practical activities.

Art or D.T

Families used Anderson shelters during WW2 to hide from bombs. Carry out some research to find out how these were built and **choose one of the following tasks to complete:**

- Sketch an Anderson shelter and label it.
- Construct or build an Anderson shelter so that it can fit 6 Lego men inside, be waterproof and able to withstand a 1kg weight placed on it.

PSHE

We believe that every child has a right to learn (UNCRC Article 28).
This means that all the adults and children in the school have these responsibilities:
To work as a team. To allow others to learn. To treat everyone fairly. To respect each other. To listen to each other. To look after each other. To respect each other's property and belongings.

Design a poster showing these responsibilities. Include lots of colour and images.

P.E

Volleyball - Serving Up Skills
What you need: 1 ball, a line
Play: outside
Start behind a line. Serve underarm over the line. If successful
take a step back.
How far back can you go and still accurately serve?
Make this harder by adding an obstacle that the ball must go over e.g. a washing line or chair.
