Dear Parents and Carers of Pupils in Year 6

As we start a new academic year and your child has moved into Year 6, you may have decided that your child may walk home alone, or to a designated place to meet you. If you have taken this decision, please could I ask that you complete the slip below and return it to the class teacher. As soon as we have this information the teacher will then be able to release your child at the end of the school day.

This may also mean that you have provided your child with a mobile phone to ensure their safety. We would ask that your child hands their phone either to the school office or class teacher at the start of each day. This will then be returned to them at the end of the day. Please remind your child that they must hand the phone in and that this must not be used in school.
