

# Curiosity

The theme for British Science Week 2026 is **curiosity.**

What do you think it means to be **curious?**

# SCIENCE MUSEUM

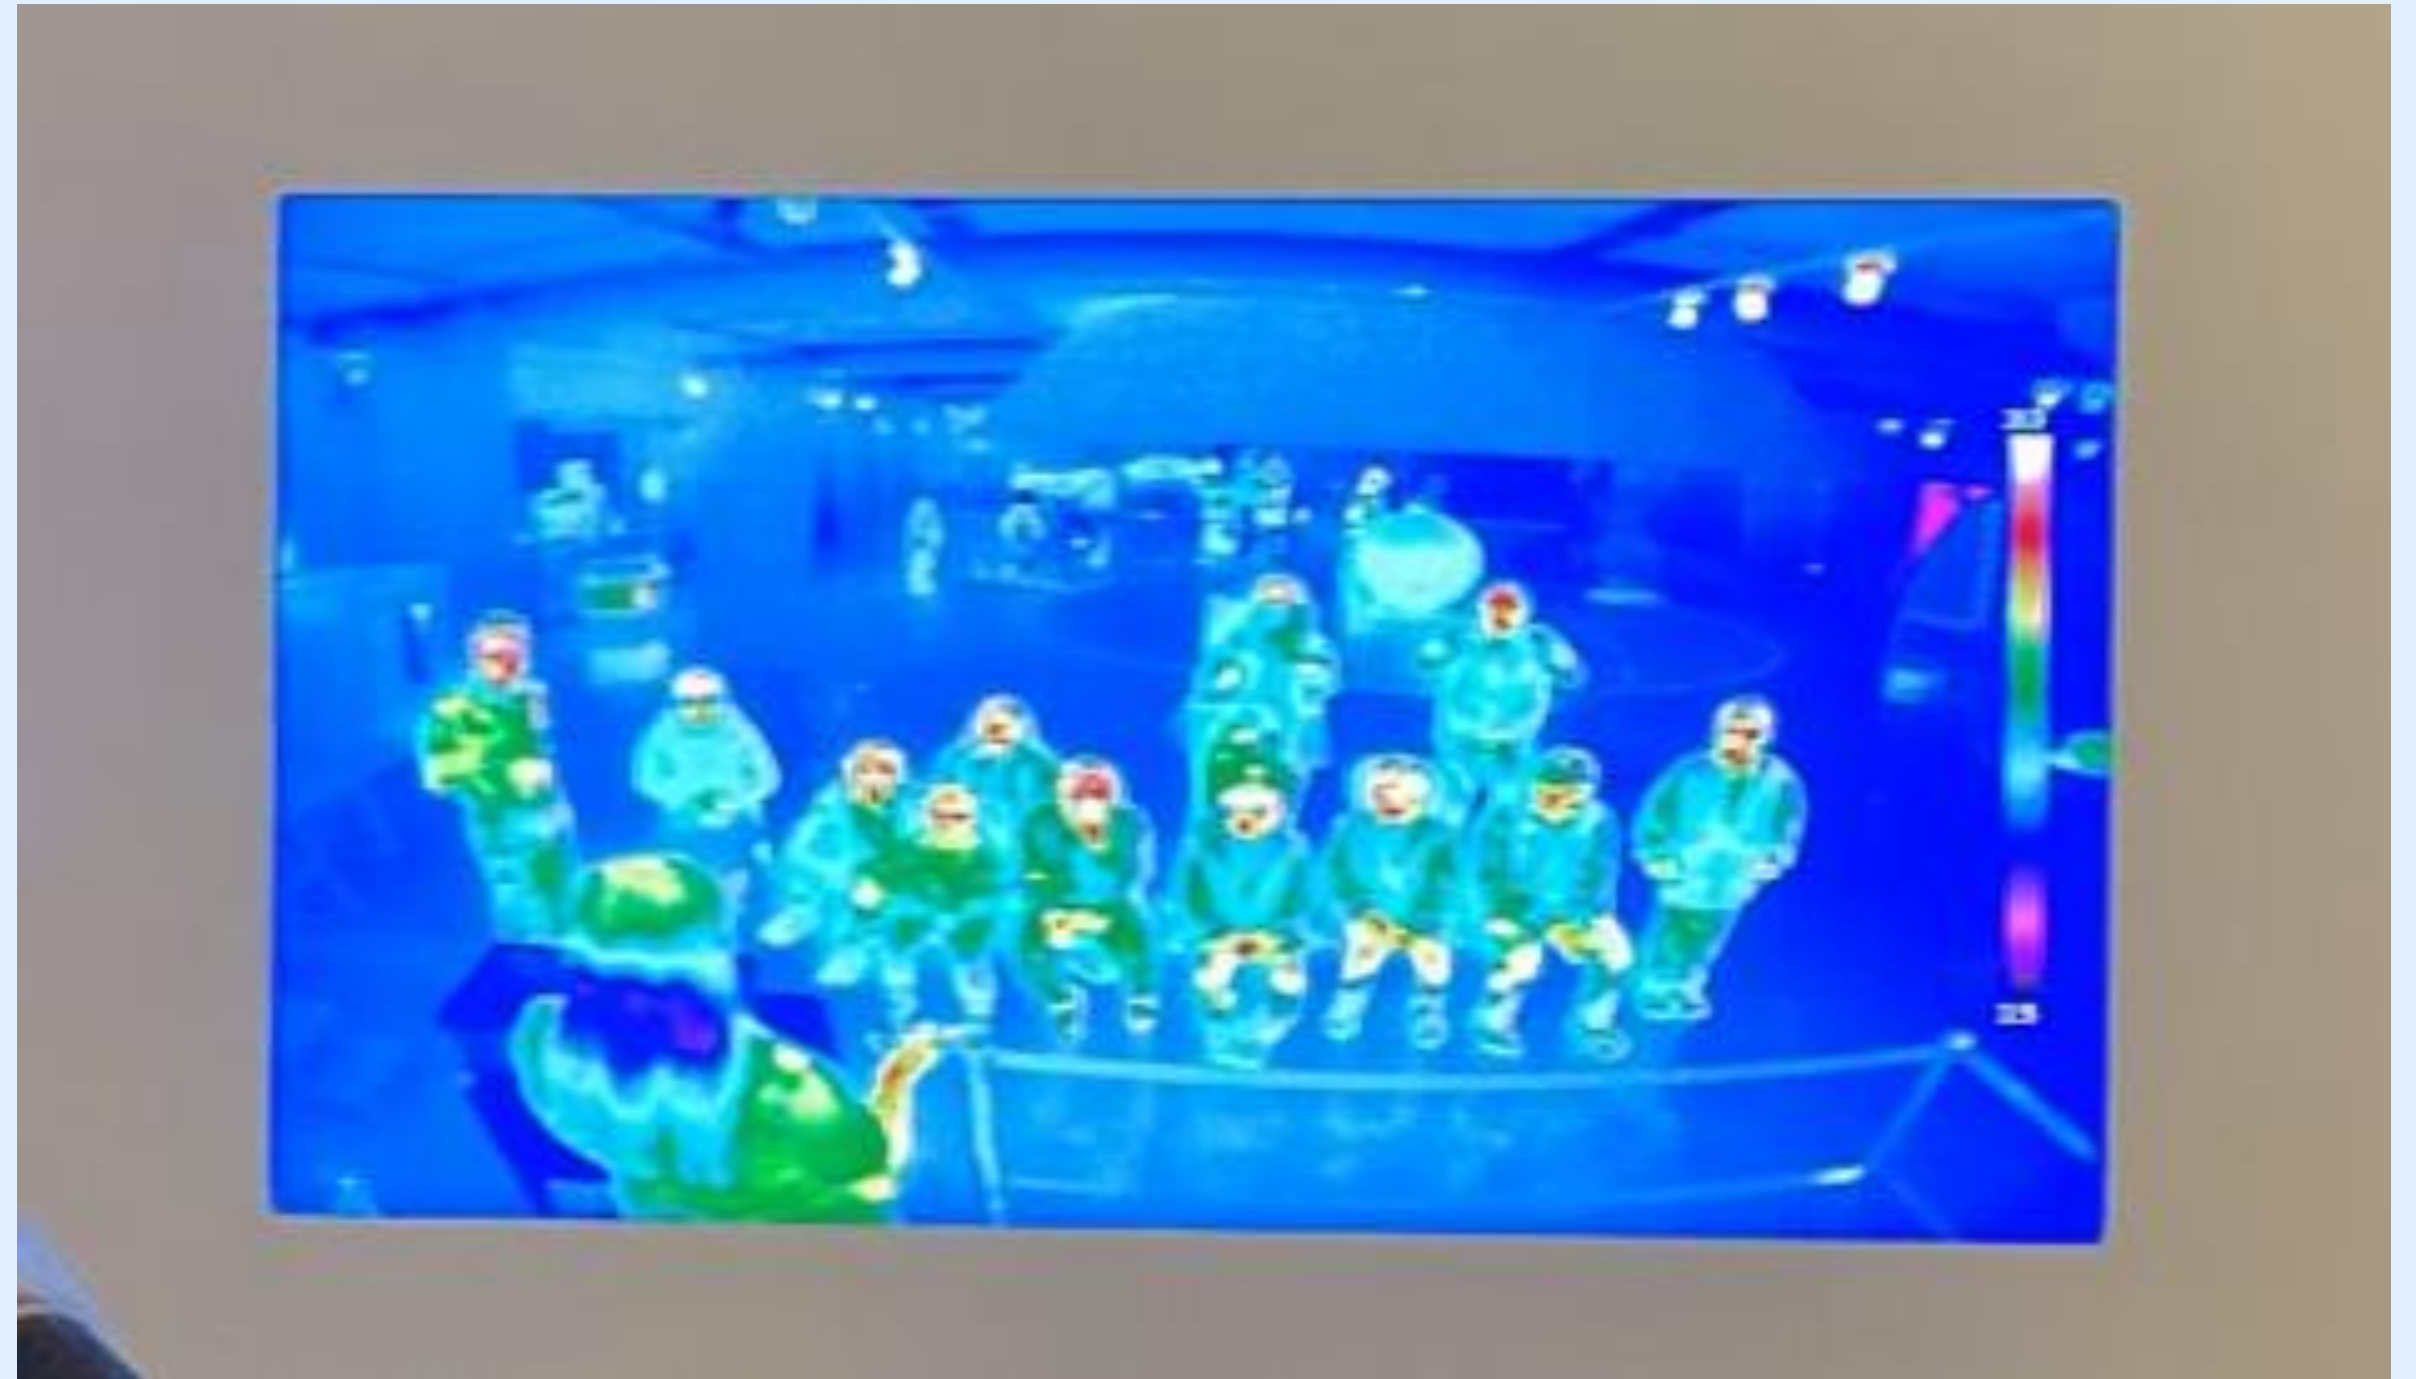

# INFRARED MIRROR

PAINING OUR HANDS AND  
FACES WITH ICE.

# INFRARED MIRROR

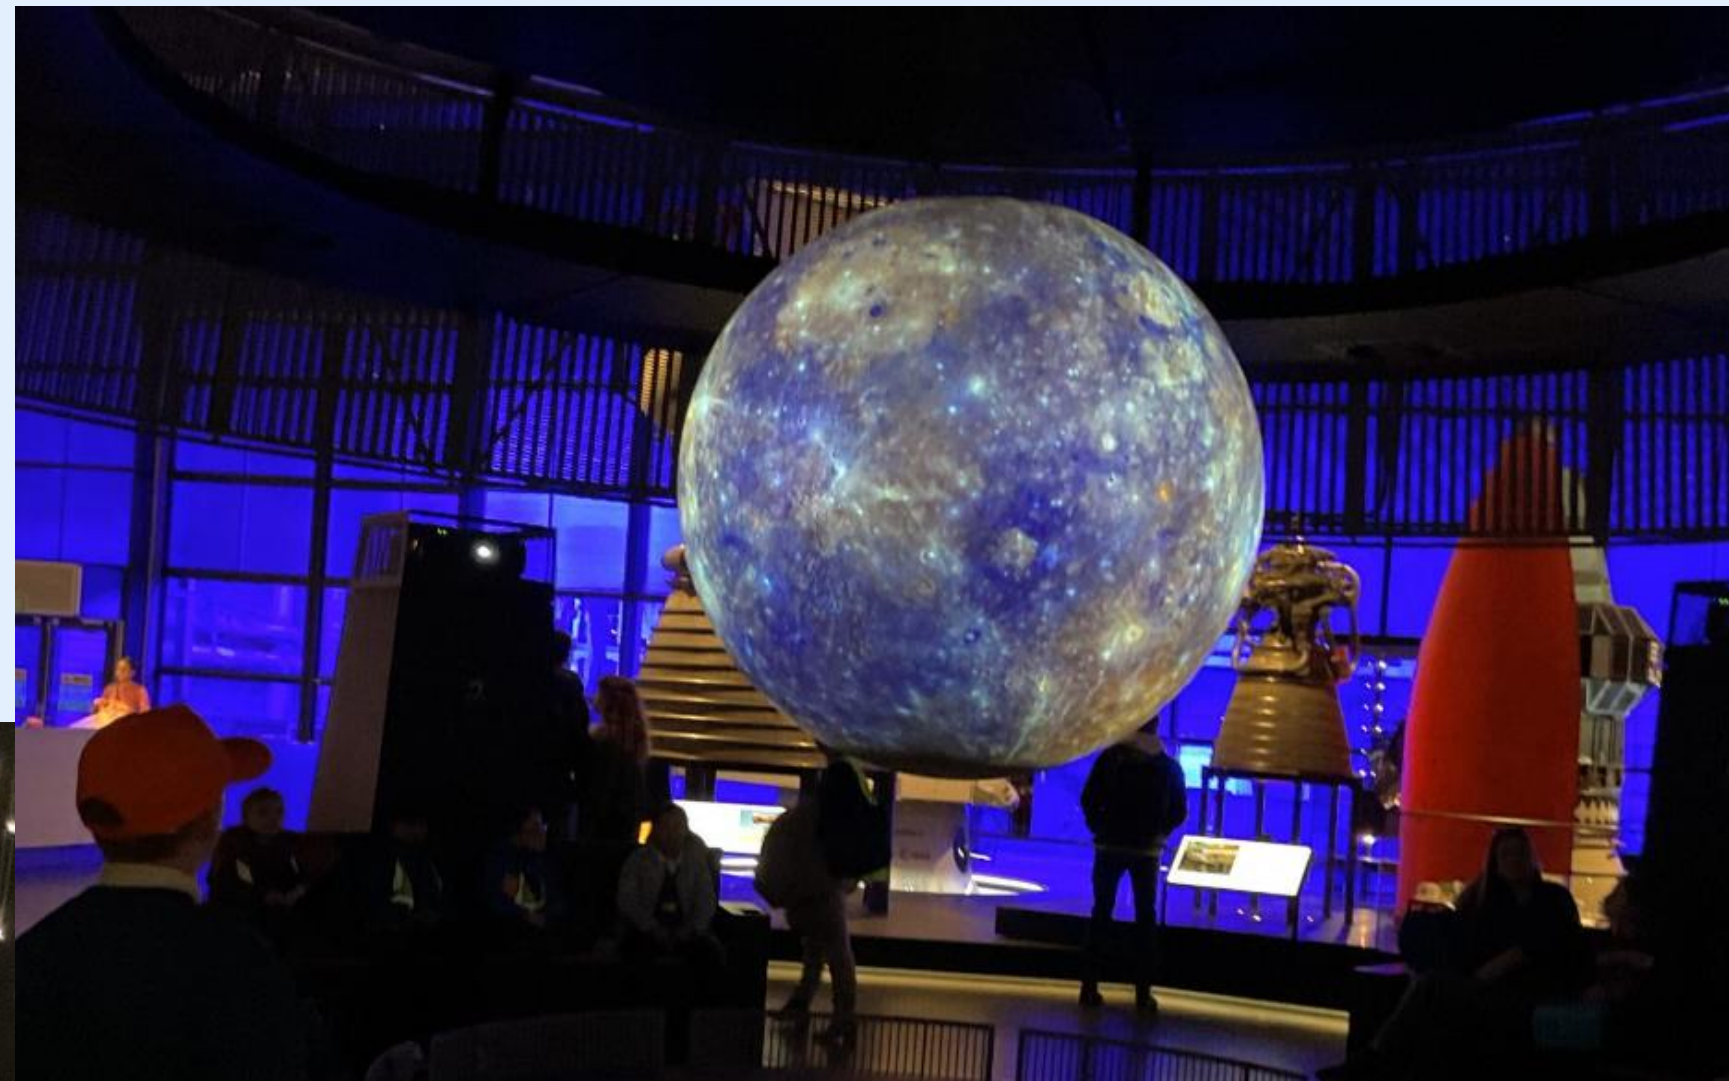

# HOW IS ELECTRICITY MADE?

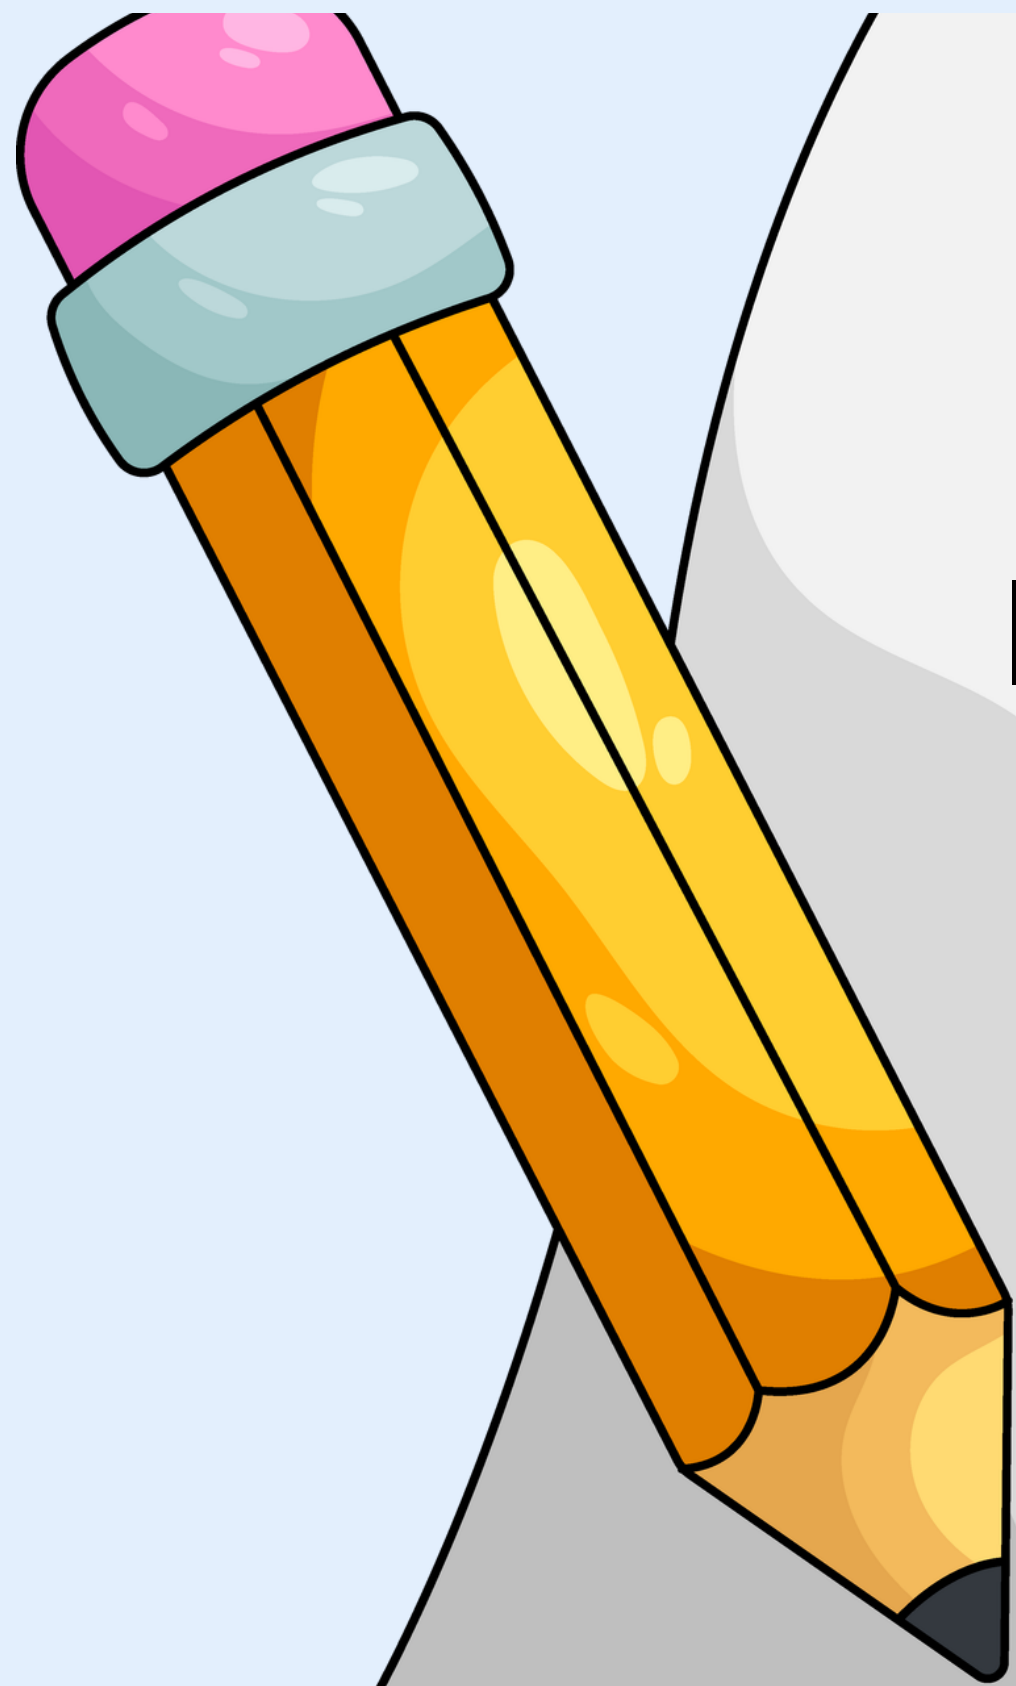

*DRY ICE*

# Space Gallery

Q U I Z  
T I M E !

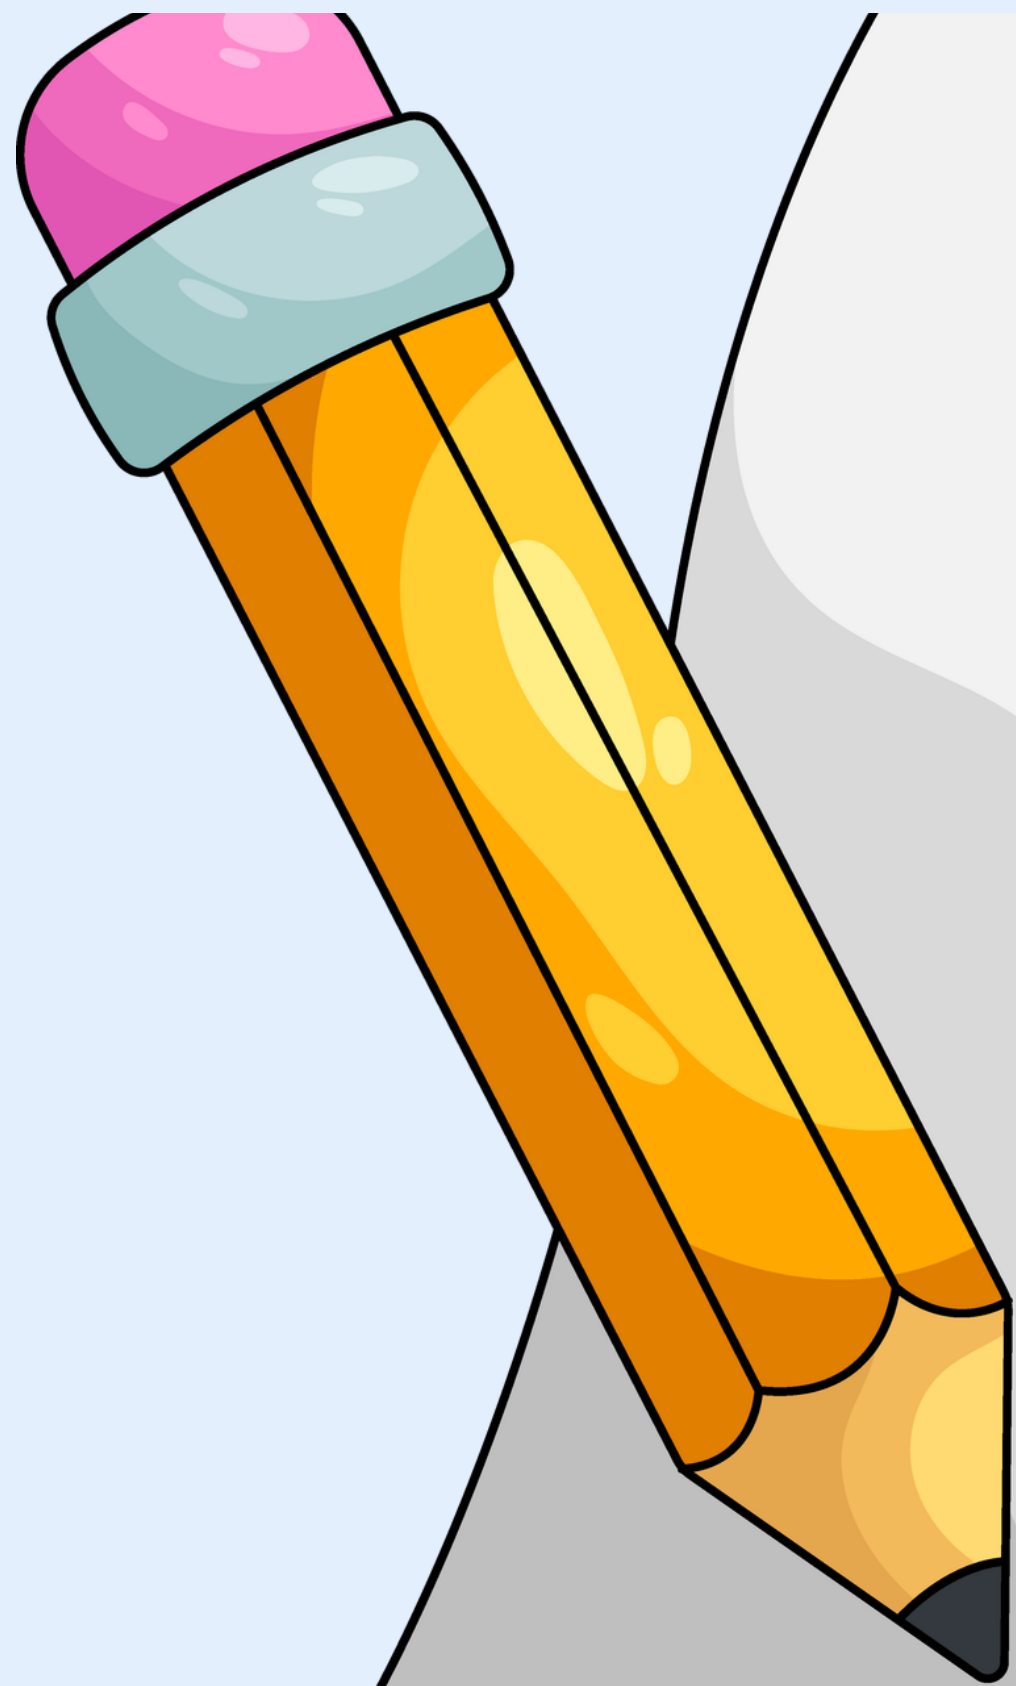

**Question 1:**

**If something gets  
hotter –  
does it give off  
MORE or LESS  
infrared light?**

**Put your  
hand up to  
answer!**

**Question 2:**

**Can we see  
infrared light  
with our  
normal eyes?**

**Put your  
hand up to  
answer!**

## Question 3:

What happened  
to the bouncy  
ball in dry ice –  
super bouncy  
or hard as a  
rock?

Put your  
hand up to  
answer!

**Everyone rub your hands together really fast...  
faster... faster...**

**Feel that heat? That's energy!**

**Warm hands in infrared**
